

PAYROLL

Leno uses our cutting-edge technology to manage this time consuming but necessary task so business owners and operators can better focus on the demands of their business.

Whether a small to medium-sized business or a large well-established business with a dedicated accounts department, Leno Payroll Services will provide employee privacy along with timely and efficient processing of your company payroll.

Let us help you save time while allowing a better use of your company resources.

Leno payroll solutions ensure that your payroll needs are met on time, every time.
