

PENSION INVESTMENT MANAGEMENT & ADMINISTRATION SERVICES

Leno provides structured and systematic savings solutions for those companies who seek to secure the retirement future of their staff members. We understand that the best pension plans are built around protection of assets, investment plan performance and plan member empowerment via education.

Leno uses technology and transparent reporting as tools of accountability for the plan sponsor and plan member. As a service provider, Leno understands the various dynamics involved with tailoring a pension plan that best suits your needs.

Whether your company employs two people or more than two-hundred people, Leno can help you form a financially sound pension plan.
